## Special Education Advisory Committee

### Mission Statement

The purpose of SEAC is to improve the  
educational opportunities for students with  
disabilities, working as partners in a  
collaborative relationship. SEAC provides a  
forum for families and staff to share ideas,  
identify concerns, and advise the district in  
order to improve services for children with  
disabilities.

## **What is the purpose of SEAC?**

The Hicksville Public Schools Special Education Advisory Committee is comprised of School Board Members, Administrators, Families, Teachers and Support Staff who are responsible for students receiving special education services through an IEP or 504. Specific functions include the following:

- 🌐 Assist in refining plans for identifying children with disabilities and pre-referrals supports.
- 🌐 Increase opportunities for family engagement and collaboration.
- 🌐 Provide a forum for families to share ideas, identify concerns and advise the district in an effort to improve Special Education Services.
- 🌐 Provide consistent opportunities for training on relevant and timely issues/topics through delivery of educational programs, family/SEPTA meetings and the distribution of resource information.
- 🌐 Provide the community with an informal forum in which they have the opportunity to interact with the District's Special Education administrators and ask general questions with regard to the District's current of proposed special education services, not related to a specific situation or child.
- 🌐 Review the Hicksville Special Education District plan.
