## Hicksville Public Schools 2023-2024

Student Name:	Teacher:
Grade: 5	Absent
Student ID:	Tardy (

## X Not Taught This **Exceeding Standards Meeting Standards Approaching Standards** Beginning Demonstrates an Demonstrates and applies Demonstrates partial Demonstrates minimal Trimester understanding. This standard is not understanding of knowledge and understanding. Seldom understanding of learned concepts and skills. Meets meets the requirements material beyond what is Approaching the part of the work this directly taught in the requirements for gradefor grade-level work. trimester. classroom. Exceeds the requirement for gradelevel work. Requires Requires an extended requirements for gradelevel work. Completes some extra time, amount of time, work accurately and instruction, assistance level work. instruction, assistance Consistently applies and independently. and/or practice. and/or practice. extends learned concepts and skills independently.

I II III  Independent Reading  Reads grade-level texts with sufficient accuracy and fluency.  Knows and applies phonics and word analysis skills in decoding words.  ELA/Read  Reads grade-level text with sufficient accuracy and fluency to support comprehension.  Makes claims and inferences using relevant details and evidence from the text.  Summarizes a text using key ideas and details.  Determine a main idea or theme and explain how it is supported.  Analyzes, explains, compares, and contrasts key elements of written works.

Determine a main idea or theme and explain how it is supported.  Analyzes, explains, compares, and contrasts
how it is supported.  Analyzes, explains, compares, and contrasts
Analyzes, explains, compares, and contrasts
Determines the meaning and effect of words,
figurative language, and content-specific
vocabulary.
Explains how point of view is represented and
influences a text.
Makes informed judgments and connections
across a variety of genres.
ELA/Writing
Writes narratives detailing experiences or
events using details, techniques, and clear
sequences.
Writes informative /explanatory texts which
explore topics, convey ideas and information
in an organized structure.
Writes an argument that states a claim and
supports it with relevant reasons and evidence.
Creates a poem, story, play, or other response
to a text or personal experience.
Conducts research using various sources to
answer and ask questions and to gather,
organize, and share information.
Speaking & Listening
Participates in collaborative discussions with
diverse partners and express ideas clearly and
appropriately.
Reports on a topic or text appropriately for an
audience including the use of digital media
and/or displays.
Language Use Vocabulary
Uses grade-level conventions when writing,
speaking, reading, or listening.
Determines the meaning of unknown words
and phrases by using strategies.
Demonstrates an understanding of figurative
language.
Acquires academic vocabulary and content-
specific vocabulary words and phrases.

	I	II	III
Math			
Write and interpret numerical expressions			
Analyze patterns and relationships			
Understand the place value system			
Perform operations with multi-digit whole			
numbers and with decimals to hundredths			
Use equivalent fractions as a strategy to add			
and subtract fractions			
Apply and extend previous understandings of			
multiplications and division to multiply and			
divide fractions			
Convert like measurement units within a given			
measurement system			
Represent and interpret data			
Geometric measurement: understand concepts			
of volume and relate volume to multiplication			
and addition			
Graph points on the coordinate plane to solve			
real-world and mathematical problems			
Classify two-dimensional figures into			
categories based on their properties			
Science			
Demonstrates a solid understanding of science			
concepts at this grade level.  Applies scientific concepts in hands-on		-	
activities.			
Practices lab safety concepts and principles			
Fractices lab safety concepts and principles			
Demonstrates strong analytic and problem-		1	<del>                                     </del>
solving skills, and applies them effectively to			
science activities and assignments.			
Demonstrates a strong ability to work in a			
cooperative setting and contributes in all			
group activities			
Comprehends and applies all science content			
vocabulary.			
Social Studies			
Interprets historical information from primary			
and secondary source documents, charts,			
graphs, timelines and artifacts			
Identifies causes and effects from current			
events or historical events			
Demonstrates geographic skills			
		ļ	<del></del>
Identify rights and responsibilities of citizens			
within societies in the Western Hemisphere.			
			1

Art  Demonstrates grade-appropriate skills and techniques when responding and connecting with artwork examples and class discussion  Music  Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts  Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music  Chorus - Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts  Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music  Chorus - Demonstrates grade-appropriate skills and techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate skills and techniques when creating and performing orchestral literature  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Demonstrates competency in the necessary knowledge, skills and behaviors to establish and improve physical fitness  Demonstrates competency in appropriate locomotor and rhythmical movements and sequences to participate successfully in physical activities  Demonstrates competency in appropriate sport-specific skills necessary to control objects used in activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates competency with regard to skills of cooperation and collaboration, as well as fairness, sportsmanship, and respect of others		Ţ	TT	TTT
Demonstrates grade-appropriate skills and techniques when creating and presenting artwork  Uses grade-appropriate vocabulary and assessment when responding and connecting with artwork examples and class discussion  Music  Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts  Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music  Chorus - Demonstrates grade-appropriate skills and techniques when creating and performing choral literature  Chorus - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate skills and techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Demonstrates ompetency in the necessary knowledge, skills and behaviors to establish and improve physical fitness  Demonstrates competency in appropriate locomotor and rhythmical movements and sequences to participate successfully in physical activities  Demonstrates competency in appropriate sport-specific skills necessary to control objects used in activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates appropriate concepts and strategies to successfully participate in organized games and activities (e.g. offense, defense, formations, etc.)  Demonstrates competency with regard to skills of cooperation and collaboration, as well as fairness, sportsmanship, and respect	Ant	1	11	III
techniques when creating and presenting artwork  Uses grade-appropriate vocabulary and assessment when responding and connecting with artwork examples and class discussion  Music  Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts  Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music  Chorus - Demonstrates grade-appropriate skills and techniques when creating and performing choral literature  Chorus - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate skills and techniques when creating and performing orchestral literature  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Demonstrates competency in the necessary knowledge, skills and behaviors to establish and improve physical fitness  Demonstrates competency in appropriate locomotor and rhythmical movements and sequences to participate successfully in physical activities  Demonstrates competency in appropriate sport-specific skills necessary to control objects used in activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates competency with regard to skills of cooperation and collaboration, as well as fairness, sportsmanship, and respect				
artwork Uses grade-appropriate vocabulary and assessment when responding and connecting with artwork examples and class discussion  Music Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music Chorus - Demonstrates grade-appropriate skills and techniques when creating and performing choral literature Chorus - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Orchestra - Demonstrates grade-appropriate skills and techniques when creating and ensemble discussion  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when creating and performing orchestral literature  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Physical Education  Demonstrates competency in the necessary knowledge, skills and behaviors to establish and improve physical fitness  Demonstrates competency in appropriate locomotor and rhythmical movements and sequences to participate successfully in physical activities  Demonstrates competency in appropriate sport-specific skills necessary to control objects used in activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates competency with regard to skills of cooperation and collaboration, as well as fairness, sportsmanship, and respect				
Uses grade-appropriate vocabulary and assessment when responding and connecting with artwork examples and class discussion Music  Demonstrates grade-appropriate skills and techniques when creating and performing musical concepts  Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and class discussion  Ensemble Music  Chorus - Demonstrates grade-appropriate skills and techniques when creating and performing choral literature  Chorus - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Band - Demonstrates grade-appropriate skills and techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when creating and performing band literature  Band - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Orchestra - Demonstrates grade-appropriate skills and techniques when creating and performing orchestral literature  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when creating and performing orchestral literature  Orchestra - Uses grade-appropriate vocabulary and assessment techniques when responding and connecting with music examples and ensemble discussion  Physical Education  Demonstrates competency in the necessary knowledge, skills and behaviors to establish and improve physical fitness  Demonstrates competency in appropriate locomotor and rhythmical movements and sequences to participate successfully in physical activities  Demonstrates appropriate concepts and strategies to successfully participate in organized games and activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates competency in appropriate sport-specific skills necessary to control objects used in activities (e.g. throw, kick, catch, bat, etc.)  Demonstrates competency with regard to skills of cooperation and collaboration, as well a

Characteristics of Successful Learners			
Respects the rights and feelings of others			
Follows classroom routines and directions			
Completes work independently			
Stays on task			
Comes to school prepared			
Organizes self and materials			
Works and communicates collaboratively			
Uses technology responsibly			
Demonstrates effort			
Seeks help when appropriate			
Perseveres when challenged using a variety			
of strategies			
Completes homework			
Library			
Comes to the library prepared, returns			
materials, and is ready to learn			
Listens attentively, completes assignments,			
and collaborates well during class.			
Reads and works independently when			
instructed to do so during class.			
Uses technology safely and appropriately to			
access information and literature.			

For more information about reading resources please visit: https://www.hicksvillepublicschools.org/district/family\_educational\_support
