

HICKSVILLE PUBLIC SCHOOLS

HALL OF FAME

Hicksville Public Schools established a Hall of Fame in 1985 to confer recognition on graduates who have achieved distinction in their chosen profession or community and who will serve as a role model for the graduating class.

This year the district is searching for one individual to join the ranks of past honorees.

Nomination letters can be forwarded to the school district and should include the following information: candidate's name, address, telephone number, year of graduation, biographical information and professional/organizational/community achievements. Individuals should also include their own contact information and must be available to attend Hicksville High School's graduation on Saturday, June 22, 2024 at 9:00AM.
